Rule 15 Jury Management Plan

(L) The Court, on its own motion, or on the motion of a party, and for good cause shown, may elect to allow juror anonymity to be protected, by requiring that reference to the jurors be made by juror number, rather than name. If such a procedure is implemented, the court will file, under seal, the juror questionnaires with the names, along with a copy of the questionnaires and juror lists that have the names and such information redacted. If such a procedure is implemented, the redacted questionnaires will be provided to the parties for the purpose of voir dire and then collected back from the parties after the jury is selected.
